Testimony

In this web called world We gave you life and birth, death and resurrection. We even gave you the choice to believe.

We are the axis in the wheel of reincarnation.

Homo sapiens are genetically programmed to be slaves and you as Aliens are the ruling body of the Homo sapiens race. The ruling body of mankind changed many names through history.

Let it be known that there exists, unknown to the Homo sapiens eye, the most ancient religion, the purpose of which is to re-unite individuals that are from the divine Alien race.

Naos religion existed through the most remote times and it has manifested its activity secretly and openly in the world in many forms. Naos is a body of Adepts that possesses the secret knowledge of the Alien Gods and all existing Aliens.

Every rite and ceremony is performed only to serve Us. The eye of the pyramid is the vortex from which nothing escapes.

Read between the lines.

The world is an illusion.

The Alien Race

The true identity of Aliens.

Homo sapiens science declares that Homo sapiens belong to the Homo-sapiens species. A brief definition of both words "Homo" and "sapiens" shall give the true identity of the Homo sapiens being and of the Alien as well.

The word Homo derives from the Greek word Homogenous that means "the same", "the same as" and "average". The word sapiens derives from the Latin word sapienta that means understanding and wisdom in an ironic way. Furthermore, sap means weaken and silliness. Therefore, Homo-sapiens is defined as an undistinguishable hominid species. Its members would act in the same manner and think the same, self-deceiving thoughts, relating to each other through a veil of deception within a limited field of conscious response and conditioned reflexes, rather like sheep.

It seems that Homo-sapiens will never be anything other than what the word defines.

The Alien is the name used by Homo sapiens to indicate something of a different origin, deriving from the Greek word «Allos» which means «the other» and the Latin «Alienus» which means «belonging to another». Homo sapiens use the term widely to characterize something of another planet, another country or even someone of a different way of thinking. Truly, Aliens are indeed foreign to the common Homo sapiens eye.

Homo sapiens perceive the Alien as the «grey one» which is an idea injected by Temple Deities to manipulate Homo sapiens thinking, making it work for the

Alien race. Alien myths do not work against Us. They work for Us. Real Aliens are still using this myth for their own purpose.

Actually, the Alien is «the other being», the higher being, the one that forges all things seen and unseen through his distinction between himself and the rest of the Homo sapiens. The Alien has the lust for power and knowledge that is needed to conquer the gifts of life and the lives of Homo sapiens. It is not a coincidence that He is openly or secretly worshiped as a God in the process. Indeed, the term religion was thus invented. The Alien species lives among us and those with the genetic potential to join in, know exactly what they have to do even as they read these lines. Still, only the ritualistic Encounter with the Alien Gods is the path to achieve the Alien metamorphosis.

Similarly, the classical myth of the abduction by the greys and UFO sightings have served Our purpose to support, enlarge and verify the Alien belief system created by Our ancestors. In fact, the Alien belief system is the basis of all religions. Through history, the Homo sapiens belief regarding superior extraterrestrial entities has served to empower the Dream, which is the world that Homo sapiens perceive.

Abductions are metaphorical masterworks of the Aliens, to implant memories of biological experiments to the Homo sapiens hybrid to Believe. The Alien race has chosen several Homo sapiens beings to be "abducted' for the purpose of spreading the myth and provoking mass hysteria or creating powerful religious images, such as Virgin Mary's conception of Jesus by the Holy Spirit.

The Power of History

Great power involves great responsibility.
-Franklin D. Roosevelt-

Looking through history, most Homo-sapiens worshipped other hominid species as Gods. For instance, the Pharaohs themselves in ancient Egypt were worshiped as the sons of Gods. Literally speaking, the word pharaoh means in Egyptian hieroglyphics, "the one of the divine blood". Hence the reason is that they were the carriers of a divine bloodline. As a result, when a Homo sapiens being feels that another Homo sapiens is superior due to divine reasoning, immediately the superior one becomes powerful.

Demigods existed in ancient Greece. They were hominids that had the same characteristics of God and Man. They were worshiped because of their glorious achievements, known as labors. The true Kings of power.

The Conquerors.

It is not a twist of fate that Socrates defined the Demigods as daemons.

In time, conquerors were worshipped as true Gods among men. Alexander the Great was one of them. He was only a Homo sapiens and due to his ability to conquer, he developed a godly attitude. His immortal spirit shall remain forever in the souls of men as the most brilliant case of supreme Conquerism. Thus, Conquerism is the key to unlock immortality. Through history and time, only those who completed their goals gained true power.

The power to be influential upon the minds of others.

Most Homo-sapiens falsely believe that they possess a charisma from birth that makes them very important and can act as a very influential factor upon their social group. This false sense of pride weakens their judgment. The divine art of the Alien is Conquerism.

The Alien knows exactly where to seek higher power. As a result, the Alien wants the Homo sapiens race to support his power. It is not possible to gain higher power without other minds to support this power. Thus were created the first religions of man for the purpose of the Alien bloodline.

As an Alien, you are blessed by the Gods themselves. You are what you are. Do not deny thyself! It is the purpose of the Alien to make others believe and spread His supremacy. Hence the secret of power is to conquer.

By considering thyself as a Conqueror you must be responsible for your acts.

The existence of responsibility in the actions of the Alien is the quickest way to tell if the individual has what it takes to be a member of Naos or not.

Shadow of the Dream

After a long sleep, the same theories reappear. Without doubt they return richer and with new clothes, but the foundation remains the same and the new mask which they wear should not mislead the man of knowledge.

-Le Serpent Rouge-

In ancient years, some of the Alien Gods were mixed with the Homo-sapiens race and thus there were many children of this kind that developed supernatural powers. One such supernatural power is the psychic ability like clairvoyance or using the so-called third eye. This gift was lost slowly in time due to disrespect towards the Alien Gods.

The fact that the Alien Gods will not transform the Homo sapiens to a higher being was considered by many researchers through the centuries and the answer is rather simple. You cannot transform a rock to a tree. The genetic material of Homo-sapiens is incapable to be changed to something that is Alien to it. Only those who have already the same genetic potentiality of the divine race can achieve the Alien Metamorphosis.

Those who came from the skies have cursed the Homo sapiens race with a disease that is similar to blindness. The Homo sapiens being is incapable to perceive reality. The definition of reality springs from the Essence of the individual's perception.

The Homo sapiens hybrid uses the five senses to perceive only the 20% of the known world. Hence, it is impossible for the Homo sapiens being to define reality. In fact, there are plenty of realities. One could say «this is a beautiful house» and another «this is a bunch of stones». As reality arrives from objectivity, every single individual has a unique idea of reality. Therefore, if Homo sapiens race is consisted of 6 billion Homo sapiens beings, we can have six billions of different expressed "realities-truths".

Nevertheless, it is commonly said that reality is mostly based upon the most basic sense, vision.

The most common definition of reality is what the eyes see. However, the Homo sapiens eye does not have the vision of a microscopic device. As the Homo sapiens being are watching an item, they are not seeing the molecules that the item is consisted of, but they are sure about the item's identity! The same theory is implied to the other four basic senses.

One of the biggest dilemmas of the definition of reality is dreaming. Homo sapiens perceive dreams as tricks of the unconscious, unfulfilled wishes, false memories and in general as something fake. However, when the Homo sapiens being is in a dream state, he perceives the dream as a real situation until the awakening arrives. But, there are numerous cases that the individual awakens in the dream and then he wakes up in another dream. The Homo sapiens being is unable to understand that its life may be a dream with plenty of the so-called awakenings. There is no key to discriminate reality from dreams.

Reality arises from experience. If you experience situations, you know that they are real. In the dream world you have your experiences and thus this is a reality too.

The Alien perceives the reality and dreaming as the same. Aliens and Homo sapiens beings are living under the shadow of the dream of Those Who came from the skies. The Alien Gods are dreaming of what we experience as real life. The task of the Alien is to perform the actual awakening of his ancestors, the Alien Gods.

Reprogramming

Camilla: *"You, sir, should unmask."*

Cassilda: *"Indeed it's time. We all have laid*
aside disguise but you."
Stranger: *"I wear no mask."*
Camilla: *(Terrified, aside to Cassilda.) "No mask? No mask!"*

-Robert, W, Chambers, The King in Yellow-

You are influenced by external elements. Your whole life is based upon a specific schedule. The Alien Gods have constructed outer factors to make the Homo sapiens being think less and serve more. Have you ever considered in how many square meters you live in? Homo sapiens are incapable to escape from their jobs, bills and personal problems. The Homo sapiens being is a prisoner of his life. The Alien is the Conqueror of life. The Alien knows exactly how to manipulate the life of Homo sapiens beings and his life as well.

From the early ages, the Alien knew that he is different from the other species, the Homo sapiens race. The feeling of dissimilarity got stronger as the Alien lived and grew more and more in the Homo sapiens world. The Alien's ancient genetic material enforced the will to re-identify from the Homo sapiens identity.

You are what you are. You are not what you have to be.

Disregard what you have been taught so far. Every single thing that you learned from any external factor is the Homo sapiens way of thinking and living, guided by the Alien Gods. You are not supposed to have a life-span of 70-80 years. This model of aging serves the plan to recycle the Homo sapiens race.

Remember that the great Alien Pharaoh lived more than 300 hundred years in his earthly existence.

Besides, scientists have discovered that the Homo sapiens body is constructed to last more than 150 years, but there are always external factors that make life last less. Bad habits such as smoking, drinking alcohol and anti-hygiene are not the only reason for dying at the age of 80.

The most significant reason for this is the psychology and way of thinking of the mortal. The Homo sapiens being is taught that the life-span of an average Homo sapiens is around 70-80 years. This is one answer for the question of aging, meaning that the Homo sapiens being is forced to think and act according to what he has learned from external factors. In plain speech, everybody else is doing it, so should you.

Imagine for instance that an individual is raised with the idea that he will die at the age of 180 and he is not influenced by any other external elements like the death of others. This hybrid will manipulate his life-span psychosynthesis and will live longer, as he was made to live. The same basic concept of Reidentification goes with any idea or principle that has been taught by others or been experienced by the individual's standards.

The Homodeus species has the reprogramming procedure in its genes. From the early years of his life, the Alien has understood that he must re-identify himself away from the Homo-sapiens standards.

The Alien knows that he is different.

For the Alien it is natural to manipulate his inner cosmos according to His will. This is what it differentiates Him from the Homo sapiens race. Hence, the Alien avoids the outer elements that manipulate His Essence of existence and evolutes through the personal metamorphosis guided by Those who came from the skies.

Create your Own experience and act one step further to accomplish the Reprogramming process. With personal effort and with the assistance of the Alien Gods, the Alien is a flawless Conqueror of life and death.

Behold!

The San Greal of the Alien immortal bloodline

One Step Further

All the important decisions need to be considered twice or more in life. This is because one has the experience of failure and does not want to hurry up and make the wrong choice. How many times have you said "If only I had a second chance"?
In general, life is a mechanism that is working both positively and negatively. This is the balance of nature called equilibrium.

This is an established law of initiation.

The Alien seeks perfection and not failure in every case. Perfection springs from wisdom and experience. The Alien has a rule in his life that says:

"In every situation in my life, I shall consider my actions one step further".

This means, in each and every moment of life.

One Step Further should be practiced in every situation, even in the simplest ones. This can save the Alien from undesirable results and can improve the quality of his life. Even before drinking water, the Alien should imagine and know its taste.

The speech of the Alien must be practiced to be direct and beyond criticism. The Alien thinks one step further before speaking. This is one of the best ways of manipulating situations through influencing individuals. The Alien will improve these skills by studying the people that he is associated with. The Alien has a schedule or plan for everything, especially for the important factors of His life.

From experience and failure only, one can achieve perfection.

Alien DNA

True power lies in the DNA. There the Essence rests and waits to be transformed into higher energy through an actual use. However, Homo sapiens are too idle and unimaginative to make use of it. Many of Our kind have also sunk into this void of uselessness.

To comprehend the Alien's DNA one must study closely the matter of inheritance. Many of the so-called royal families around the world have claimed that they possess advanced forms of DNA in their bodies and request to be treated like true kings and queens.

Still, there is a big distinction.

There are two types of bodies. The physical and the astral body. To make it clear, the astral body is IN the Homo sapiens body like a driver in a car. Thus it is a matter of quality of the one who drives the car. Therefore, it doesn't matter if the car or the vessel has the highest quality. The Homo sapiens body is genetically programmed to perish no matter the quality of the physical body. The Alien is an astral entity that has conquered the vessel, which is the Homo sapiens body, and is the astral body with the divine genetic material.

By mapping out the astral body through physical, we see that sometimes it appears in the DNA and RNA. DNA and RNA are the bridge between consciousness and matter. Essence is the gateway to influence matter by enabling the Alien, under the right circumstances, to consciously enter the atoms of the physical.

Proved by science, there is a trace memory in each cell. Everything in the universe leaves a trace on encryption that can be decoded. Hence, this is the genetic potentiality of the Alien. His DNA reminds Him the past of His ancestors and the superiority that consumes the Homodeus species.

It is not a twist of fate that the Alien bloodline is attracted to the Temple.

To separate Homo sapiens from Aliens, there is only one path. The reality of the contact between the Alien Gods and their descendents, the Aliens.

The Alien Gods will not make contact with the profane Homo sapiens. Those who came from the skies are attracted to those of the same genotype.

There is an element in the DNA of the Alien Gods that was called Ichor in ancient Greece. Through the presence of Ichor the individual that performs the Encounter Ritual, can feel this godly power.

Throughout history many Aliens felt affection for their physical bodies and searched for the elixir that can transform the mortal body to an immortal one. Therefore, the Alien as an egocentric being has found several ways to achieve immortality.

Without Darkness, there is no light

Assistance is acceptable. Especially from your own blood. As an Alien, you are a descendant from a divine lineage that was kept as a secret for thousands of years. Many were those who tried to convince themselves to be one of Our kind, still with great failure. Those who came from the skies mixed with the Homo sapiens breed and thus the Aliens were created. Several religions were founded at that moment, with Aliens as the only representatives of the Alien Gods.

Many of the Alien Gods felt sorrow for the Homo sapiens race and attempted to elevate them. Those Defectors sympathized with the Homo sapiens beings and betrayed their secrets. This was the time that the wars between men and Gods began. The Alien Gods were infuriated with the Defectors and left planet earth, leaving the loyal Aliens to rule the abandoned planet. The Conquerors have always been in communication with the ancient Alien Gods.

There are several Alien Gods that used this planet as a residence. Some of Them did not care about the Aliens, considering them impure. Others had great sympathy and respect towards the Conqueror Aliens. Those are the Alien Gods that the Temple is affiliated with. Without Their existence, the Alien would be a powerless being, as the Essence of power springs from Them, according to Their will.

Without the presence of the Alien Gods, the genetic material of the Alien can not be activated. They are the source power of Our kind. This can be done only by Encountering with Them. And thus this is the only way to achieve the complete Metamorphosis. With personal effort and by conquering the Essence of the Homo sapiens, the Alien is capable to avoid mortality.

This is another path to reach Higher Existence.

You are an apprentice, until you avoid the second death. Do not forget. Your life is a continuous cycle of learning and evolving. Receive the Alien Gods as your mentors and teachers, because you are of the same blood. With Their guidance you shall transform to a higher being.

Be loyal to your Ancestors and therefore you will fulfill your purpose of your kind. We shall become the rulers of the earth once again.

The Alien Gods will be awakened and the Seal of the Dream will be broken.

Behold!

The secret teachings of the ancient Alien Gods.

The teachings tell us that we can either continue living in this deluded, dreamy state, day and night, or wake up to the truth. When we engage in sleep, we become part of a long lineage. By remembering the Aliens who have dedicated their lives to the teachings, the knowledge of their practice will be passed to us and will generate faith and gratitude for Our tradition. The teachings were traditionally maintained as a secret, both as a sign of respect and as a protection against delusion of misunderstanding of the unprepared practitioners. They were never taught publicly nor given lightly, but were reserved for individuals who were prepared to receive them.

This is an important point that should never be forgotten. The life of the Alien is precious. Aliens have intact bodies and minds, with great potential. Aliens may have teachers and receive teachings and have lives in which they enjoy the freedom to follow the divine path.

The teachings are not ideas to be collected, but a path to be followed.

Essence of Life

It is called by Hindu prana, by Chinese chi, in Ancient Egypt ka etc. The definition was spread to all civilizations by the Family, but without the proper knowledge to unlock its true meanings. We simply call it the Essence. However, we can also use the names that were used by our Ancestors. It is the eternal element of life. The actual Essence of life. The one that governs every living thing. Its absence makes every living organism unable to exist. There is a brief analysis for this vital force with the indication of sleeping.

The average time of sleeping for a Homo sapiens being is approximately 8 hours. There is no evidence why Homo sapiens sleep so much. The average hour of sleeping is analogous to the energy that's been consumed by the individual. Moreover, predatory animals are those who sleep most. This is because of the energy that is spent for hunting. Thus for the Homo sapiens being there is no rational explanation of the 8 hours of sleep since nowadays there is no predatory behavior.

Re-read the above line and think of it for a minute. Aliens should synthesize a better sleep program as to not waste anything between the energy/sleep circuits. Modern science discovered that there is a specific form of energy that is precious to life. During sleep, the human body restores an amount of energy that is vital for the continuation of life.

This vital energy is first taken by the plants from the sun, then it is absorbed from the animals and then it is taken in a better quality from the Homo sapiens. However, the Essence of human beings is conquered from another species superior to the Homo-sapiens. Homo sapiens surrender their Essence to their superiors, just like a flower to a vegetarian mammal. This energy gap is also expressed in the Krebs cycle.

The Essence is the universal energy, which exists in all types of life, from the amoeba till the Homo sapiens being. The world is an ocean of Essence and everything is under the ocean. The Essence is a primary substance and it can be slipped in every living thing.
It is called the web of dreams. It connects everything in the form of a web plexus. Once you have conquered the Essence of a Homo sapiens being, you are connected forever.

However, the best source of the Essence of life is the Homo sapiens faith.
Faith is based on believing. Believing is based on trustworthy thinking. Thus this world is filled with thoughts that become beliefs and finally blind faith. The basic ingredient for this structure is the presence of a certain stimulus.

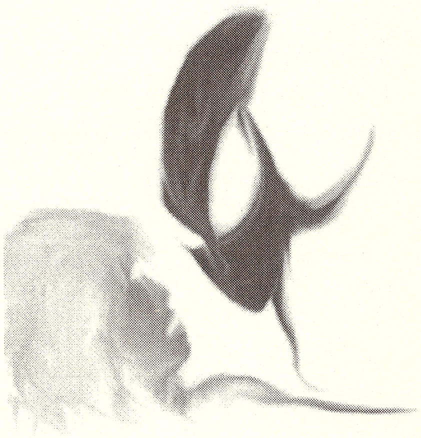
Thoughts or electromagnetic kinesis in the brain do seem to take on a life of their own. Remember how your toys as a child seemed to become real beings? Your love, gave them consciousness. Ritual objects can do this a lot, so cleanse and rededicate them regularly. Likewise, together with thoughts, emotions produce electromagnetic energy, the Essence of life. One such known emotion is fear.

When a fear based on an entity has been created, like all sentient beings it will act with self preservation and attempt to propagate. Feel and breed. In this way, Homo sapiens have created uncounted billions of diverse beings.

These beings range from the not very aware stray thought forms left over from another lifetime, to very powerful Old Gods and Archetypes, like the Greek or Egyptian pantheons that have been fed and shaped by centuries of worship and love. The difference is that the Alien Gods are real because They are not shaped by the Essence of the Homo sapiens. They exist whether you want to or not.

Everything is based on faith. Faith is like a muscle, it gets stronger with exercise. Thus Homo sapiens beings need to exercise their faith for the service of all the religions worldwide. Behind the curtains of this powerful game of energies the Alien Gods are enjoying their conquering abilities upon this planet. Their descendants, the Aliens, possess the mystical ability of Conquerism.

Hence every time a Homo sapiens being prays, his Essence goes to the Alien race.



The Conqueror

A table of excellencies hangeth over every people. Lo! It is the table of their triumphs; lo! It is the voice of their Will to Power.

- Friedrich Nietzsche, Thus spoken Zarathustra-

The feeling of triumph or the feeling of loss is centred in the solar plexus. In the belly, in the middle just below the ribs. Think of a time when a Homo sapiens praised you or gave you a really nice compliment. Think of a time when you felt very successful; think of a time when you felt failure.

Remember, and feel.

When Homo sapiens beings are nervous they say the phrase "butterflies in the stomach", but the location of the butterfly feeling is not usually the physical stomach, which is on the left side of the body, but rather in the belly, just under the bottom of the ribs. Feelings of guilt, foreboding of future bad events, worry, and insecurity, all are felt in the solar plexus.

Feelings of being abused, victimized, persecuted, or any other kind of disrespected boundaries are felt in the belly, in the solar plexus. The solar plexus channel is where your personal boundaries, as an individual are felt. It is the channel of hierarchy games: winners and losers, abusers and victims.

The choice is yours.

The Essence feedback is immediate, through time and you can use it for navigation. Just think of doing something nasty to someone and feel the solar plexus responding in advance to the flow of energy, such an act would bring to you!

The solar plexus is filled with the energy of gratitude, which is a powerful kind of surrender. Gratitude is the opposite of fear and resistance. Remember your gratitude received by your Homo sapiens believers and fill your Essence channel with the appropriate breathing techniques.

Feed your energy depot by breathing. Deep slow belly breaths that go right into the Earth and make you more firmly centred in yourself. Most Homo sapiens do not breathe properly as their breath is shallow making only the top of the chest move. The most resourceful alveoli are in the bottom of the lungs and shallow chest breathing means the air in the bottom of the lungs gets stale. Chest breathing means not getting enough oxygen and Essence.

Moreover, insecurity and panic attacks are caused by a blocked or non-functioning power channel. Someone who is having a panic attack usually cannot take a full, deep breath. It feels like there is a tight band, like a corset around the bottom of the ribs. This is tension of a closed solar plexus.

Projecting need is a power game. You see it in advertising all the time, advertisers seek to create need, and even insecurity because if you have something that someone needs, you have power over them.

The Essence responds to free will. On body level, the solar plexus channel is all about the movement of Essence between people. The unconscious control games people use to try taking each other's energy were well described by the Christians wanting everyone to be Christian, to the Bodhisattvas vow of wanting all mankind to be "Saved".

The more you stay focused inward, in keeping your own personal energy levels clear and flowing, the less you are pulled into the control games.

Thus compassion is valuable, but even more valuable is to recognise that most acts of compassion are really self serving or simply said, egoistic. Looking for the hidden motives behind the appearance of "helping" and "selflessness" is an important key to really learn your own secret powers of Conquerism.

Hence mindfulness is paying attention to your thoughts and being skittish about the ones you feed. Anything that you give enough attention to, can potentially "wake up" and become self aware.

Methods of Conquerism

Those who came from the skies, created all the religions of man. This religion is expressed by Those who came from the Gods. We as Aliens know the secret for ages. We are Those who came from the Gods and thus We have the task to be conquerors. It is our own heritage.

Don't waste now!

There are 3 types of Conquerism:

1) **By conquering your Ego:** First of all, the Conqueror must conquer his inner self. This is translated as the achievements of the personal goals and the manipulation of thyself. Before you conquer anything else, you must first dominate your earthly life. As a Conqueror, before manipulating other beings you must first manipulate yourself. You are the true God of thyself. You are the center of the circle. Do not forget this rule!

Without you, there is nothing.

2) **By conquering your Life:** Originally, the Conqueror must complete his goals according to his will. This can be done, by completing small goals at the very beginning. For example, you want to buy a car. By finishing this simple goal, the Conqueror perceives that he is gaining a small amount of power according to his needs. Thus by having a schedule of unfulfilled wishes and by completing most of his goals, the Conqueror becomes stronger. Lastly, this means that the Conqueror will never leave any goals incomplete.

3) By conquering others: The third way of Conquerism is to influence the lives of others in terms of "seduction". It is very important to create a profile of the Homo sapiens being. This indicates that you know the individual extremely good. To achieve this condition, the Conqueror must be social to gain information and knowledge about his social environment and gather human Faith. In addition, the Conqueror can project himself with various achievements of his previous stages of Conquerism. By making followers, this is the basic principle to continuously absorb Essence. Use what works.

-Note: It is forbidden by the Temple of Alienology to engage in any illegal activities. Followers of Alienology should respect the personal life of human beings and the laws of his or her country/state. As it was stated before, the Temple of Alienology will cooperate with any investigation authorities concerning illegal actions of a member.-

There are 5 steps for practicing higher influence to others:

1. **By communication**, the Conqueror is able to create a profile of an individual of interest. Thus this is the time that He knows exactly the weak personality points. For example, the Homo sapiens's ideologies concerning religion, politics and life. (Note: It is significant to have further communication with your influence target, to have a better understanding of the individual and develop trust.)

2. **By knowledge**, you are able to distinguish if the individual is useful or not. You must categorize individuals according to your needs. A very good example is when you need someone to spread rumors about you. (Note: You must be able to improve your perception skills. By performing the first step, you shall develop your observation abilities.)
3. **By helping**. This means that you know the individual's problems and needs. To gain admiration, you must be involved with his needs. By solving one problem, you will achieve moments of personal transformation to a God.
4. **By projection**, the Alien can influence massively human beings in order to gather their Essence. By creating a project that has audience, the Alien uses the individual Belief System with a specific purpose.
5. **By repeating the process** the Conqueror will spread His influence upon others. This will increase His power and the flow of Essence.

"There is no such thing about a problem, without a gift for you in its hands. We seek problems because we need their gifts."

Richard Bach, "Illusions."

Aliens are elitist beings. The circle of Conquerism never ends!

Life belongs to Aliens!
So does faith.

Conqueror's Breath of Life

The first step in training one's astral senses involves developing concentration. The first thing to ruin the chances of a successful Encounter is thinking about everyday ordinary activities. You must practice being able to concentrate on one idea for several minutes without distractions. Here follows a process for developing concentration. First, find a period of time that you can devote to your exercises every day. The best times are either before going to sleep or right after waking in the morning, as you are in a calm state of mind in both instances. Regardless of the time you practice, it is essential that you repeat the same pattern daily in order to establish a beneficial body-time routine. In plain speech, your mind will expect a period of training every day at your selected time, just like it expects to fall asleep when the night comes. Once you find a time to train, the next step is to find a place that is free of distractions. These exercises must be performed while you are sitting on a chair facing towards the part of your chosen room that is the least cluttered or disorderly looking. Never try these exercises while sitting on the bed.

Sit comfortably and close your eyes. Use your imaginations of the things that you have conquered during your day. Visualize things, situations, goals or minds that you have conquered and fill the air with their reality. It is now the time that all the Essence that is depended on you, will surround the atmosphere.

You will sense the energy covering your body.

Relax and Breathe the Triumph.

The key to absorb Essence is the controlled breathing. The breath itself is a standard mechanism that works unconsciously and is valuable for the rotation of life. However, when this life mechanism is controlled, the level of consciousness is increased. Furthermore, breathing through the mouth is similar to feeding. It is significant to say that breath of life is performed by controlled breathing through the mouth, while inhaling deeply. The secret to inhale properly is to feel that the air that is breathed goes down to earth, through the mouth till the feet!

Use your mouth as an entrance for the vital energy to flow inside your solar plexus. Solar plexus channel is located in the stomach right under the sternum. It is the most significant channel. It has many similarities with the stomach as an energy depot. Additionally, it is where Homo sapiens beings feel their souls.

Breathe deeply and slowly from your mouth for 3-5 seconds and exhale from your nose for 3-5 seconds. This is extremely helpful for controlling your breath. Continue to draw the Essence from the environment.

A more vivid environment, moments of clarity and joy, a mood of creativity are some of the signs of taking the Essence. Moreover, you will feel revitalized and healthier.

Metamorphosis

The blood of the Alien Gods is called Ichor. It is represented as a Black Mist and it can be toxic to the uninitiated. The DNA of the Alien can be changed through the presence of Ichor. This is called Metamorphosis and has many historical and mythical references.

From the ancient times those who attempted to Contact the Alien Gods have found out that this act requires the concentrated existence of astral energy.

The Alien is not fed by this energy, he conquers the energy itself!

By Conquering the minds of others, the Alien is able to take the Essence and use it to Contact the Alien Gods. If the encounter is successful They will bless the Conqueror with Their own Essence, Ichor.

Thus the Alien knows that the Essence is precious. The loss of Essence can be achieved due to stress and nervous behavior.

Never forget that this is the attitude of the Homo sapiens.

Most of the Aliens Who experienced Metamorphosis after Encounter, experienced positive changes in Their lives and powered Their Conqueror abilities. It is not a coincidence that most of the infamous Conquerors of the past experienced an unexplained event before a Victory.

Encounter the Alien Gods
The Contact

Encountering the Alien Gods is a ceremony that comes from the depths of ancient history. Its purpose is to attract the Alien Gods to appear in physical and/or astral form. It is the way to have contact with extraterrestrial entities; Those who came from the skies. This Working has no essential relation to groups that practice either black or white magic. It is important to understand that ceremonial Workings have existed for millennia in order to sharpen the subjective perception of the Aliens. The modern aspects of contemporary occult rituals must be ignored altogether since they are only a modern phenomenon.

It is extremely important to keep in mind that this Working is not for everyone. Before performing the Encounter, you must secure that you don't suffer from cardiovascular disease or any serious physical problems. The sight of the Alien Gods for the first time may not be pleasant, especially for those who are not from Our kind. In conclusion, you are what you are. **The Encounter is the only way to find out if you are of the Divine Bloodline.**

Before performing the Encounter of the Contact ritual take into account 3 significant rules:

1) It is forbidden to come into physical contact with any of the Alien Gods or even the stargate, unless you are told to do so!
2) You are not allowed to bring anyone with you to witness the existence of the Alien Gods, yet Aliens are considered able to perform a group Working.
3) It is a great disrespect to leave before finishing the ritual.

By honoring your past, you honor the present.

The Encounter Hall

This Working of establishing a Contact with the Alien Gods must be performed inside a space of your choice. Doubts or disbeliefs must be conquered before starting the ceremony. The Encounter hall is to be viewed as another world, indeed extraterrestrial. This is the room to perform the Contact with the Alien Gods. The Working must not be interrupted so all necessary precautions must be taken. If it is a room that is used for encountering the Alien Gods, the participant must disconnect any communication device and use a room that is isolated from the human eye. Make sure that nothing will disturb the most ancient ritual of all as this may result in a very complex situation. In order to encounter Alien Gods the Hall's aesthetics must be relative to the Alien sphere of origin.

The room itself must be empty of any objects that have no use for the purpose of the ritual. Alternative, black fabric may be used to cover the entire room and all items that are made of iron must be removed. To physically encounter Alien Gods you have to try to make the encounter hall correspond closely to the being's sphere of origin.

Still, the Alien Gods do what They Will.

Hall Illumination is important for the setting of an attractive ceremonial environment. Moonlight or starlight can be sufficient, if not then you are free to illuminate the place with artificial means such as photographic red light. In addition, it is welcomed to use a single black or blue candle behind the participant.

The Working requires a focus point. In order to break down the procedure and making the Encounter process successful without building stone temples, Naos proposes the simplified symbolic use of a mirror and a horizontal point to use as an "altar". The mirror functions as a stargate while the altar plays a supportive role to serve the needs of the ceremony. In order to align better to the requirements of this process, it is recommended to use very low or very high frequency sounds since the Alien Gods communicate at non-Homo sapiens frequencies. Any item that stimulates feelings or is historically connected to the Alien Gods can be placed upon the "altar". Keep in mind that this is your personal Temple.

To conclude, the secret of the Encounter is the preparation itself. By itself the preparation pleases the Alien Gods since it is sign of great respect. Beginning the Encounter, you enter the Hall with direct will and iron concentration. The procedure for the Encounter is described bellow.

Extraterrestrial Material

~Star Gate~

Use the mirror as the star gate to the astral plane, as it was used by true Witches and Warlocks for thousands of years. (When you gaze in the star gate, you can see and hear any entity in the same way you could see and hear someone talking to you through an open window.) Place the mirror towards West above the altar and in front of a comfortable chair.

Concentrate on the liquid-like form of the star gate.

Before using the mirror as the star gate, you must energize it with energy. Lift your hands up in a v-position for a while and feel the Essence go down through your blood and when you feel ready lower your hands towards the mirror by feeling the energy dropping upon the mirror. Perform this action until you feel that you are exhausted. This stargate has now a strong bond with you. Though, you cannot proceed to Ritual afterwards. The transformation of the mirror into a star gate with this technique can be done only once. Finally, you must cover the stargate with a clothe; do not forget that this is a gateway to other worlds and must stay secret and secure.

Creating a Star Gate. The mirror is to be used as a gate to the astral plane.

There are 3 types of structures that are proven to be effective:

1. The **trapezoidal mirror**. The trapezoid symbolizes the distorted reality, as it is an asymmetrical shape. Thus, this is the best option for Encountering with entities from other worlds.
2. The **black mirror**; you can create it by putting a glass upon a black board or thick paper. It symbolizes the infinite space.
3. The **ordinary mirror** or anything that has a reflection. It is used as a gazing point for thousands of years.

-Grail-

You need a cup or chalice filled with any stimulating liquid, such as wine. The Grail is the representation of the reservoir of Power, the female aspect of the Alien Gods, and the subconscious of the magician. This is the realm of the inner Demons, the Shadows. The Grail connects the outer Fire Ocean of the Alien Gods with the inner Dark realm of the Alien. Be certain what you use you can drink. It is preferable that the Elixir be stimulating, but not overpowering.

-Dressing-

Nudity is highly accepted by the Alien Gods as it is the way that you are born. Hooded capes of black or blue color are also welcomed in order to make you undistracted by external factors. Your everyday clothes remind you of everyday things, and this mundane mood is not desired in a magic temple. You are not allowed to wear items made of iron, as this will damage the quality of the magnetic field that is created during the Encounter. In group ritual face masks are also welcomed.

-Chanting-

It is very important to chant the word N- A -O- S as it is the key to the gate that leads to the Alien Gods. You must learn to chant with meter. In group ritual all the participants should chant synchronized with the guidance of a Priest.

-Incense-

It is also helpful to burn a little incense, which helps put one into a slightly altered state of mind. Any scent will do at this point. It is recommended using a combination of frankincense and myrrh, because the scent sets a temple-like atmosphere.

-Timing-

The best hours to encounter the Alien Gods are after midnight. Traditional magical holidays and dates of great significance are by far important.

-Vibration-

A bell, gong or a crystal must be used during the ceremony. In general, an item with a vibration must be used to start and finish the Encounter. The tonal qualities and the continuing vibrations are extremely powerful.

-Music-

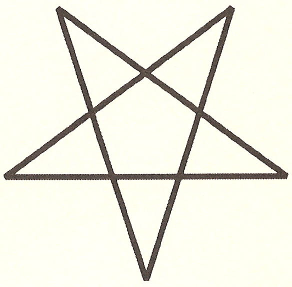
It is suggested: Any music player device, preferably of good quality, along with music orchestrated for the Encounter. The participant should choose and organize the appropriate music before the ritual. During the Encounter, the pauses in the music will cue most of your actions, so the volume must be fairly loud. You can expect to read out any notes in a strong and loud voice with feeling.

-Quartz Pyramid-

Crystal clear quartz was used in the ancient years for the construction of powerful objects in order to be used in rituals. In general, quartz has the ability to absorb and keep the energy from the environment and direct the energy according to the holder's will. This is the reason why so many devices, like watches, are consisted of quartz in order not to lose battery energy. The Temple uses pyramid shaped quartz for the purpose of keeping the Essence in balance and use it as a key to unlock the stargate. It is important to bear in mind that the quartz pyramid is connected to your astral body and nobody is allowed to touch the gemstone!

-Inverted Pentagram-

The pentagram was commonly used in Mesopotamia and Ancient Greece. The Pythagoreans used the pentagram with the two points up. The Pythagorean or Inverted Pentagram represented the Pentemychos, the real meaning of life and the genesis of this world.



The 9 steps of Encounter

1. Entering the Encounter Hall
2. Opening the Nine Gates
3. Declaration of Homodeus
4. Dream of the Skull
5. Contacting with the Alien Gods
6. Alien Abduction
7. Ichor
8. Declaration of Alien
9. Terminating the Encounter

1. Entering the encounter hall

The room for encountering the Alien Gods must be prepared as it is described before. Before entering the hall, you must forget anything that is connected to your earthly life. Anxiety and stress for any reason are some of the elements that can produce a negative environment for the Alien Gods. It is significant to say that positive psychology before entering the sacred room is one of the keys to unlock other worlds.

Keep in mind that the Alien Gods think and act in a very different way than humans do. Those Who came from the skies do not have earthly problems such as love affairs or paying bills. Thus you must alter your conscience into a non-human way of perceiving things in general. The Alien Gods are not attracted even to the Alien that has not left his human side. Hence, it is very important to forget your current life.

Trust only your blood and instincts.

The preparation of the room must contain the following: The Stargate hanged to a wall and a comfortable chair in the same direction as the magical mirror. The appropriate lighting effect should be placed before entering the encounter room.

To conclude, the Alien must not think but feel the sacred atmosphere before entering the encounter hall.

Imagination is the key to unlock reality.

By entering the encounter hall, you must begin the ritual by hitting the bell nine times. This is the beginning of the ritual.

"Let the mystery begin!"

2. Opening the Nine Gates

The Alien should draw mentally (with the quartz pyramid) or draw physically the Inverted Pentagram above the stargate. Followers of Alienology may hang the symbol of Alienology on top of the stargate. By pointing the five points/angles of the inverted pentagram the Alien unlocks the first five gates of truth. The 5 senses are thus suppressed.

[Gaze upon each of the five angles of the pentagram of Pythagoras.]
"What is this that I can see? I am not what I can see. Thus I am not Sight"
-The **first gate** is opened. The sense of vision is no more.-

[Listen to the ritual sounds or the silence. Separate thyself from the notes and the sound effects.]

"Behold! I am not the sound. Thus I am not Hearing"
-The **second gate** is opened. The sense of hearing is inverted.-

[Place your hand upon the altar.]
"Am I what I touch? Thus I am not Touch"
-The **third gate** is opened. The sense of touch is reversed.-

[Let your nostrils envelop the incense. Let drowsiness escape.]
What I smell is not me! Hence I am not Smell
-The **fourth gate** is opened. The sense of smell is abolished.-

[Drink deep from the ritual cup. The deep drinking of the universal energy is thus symbolized. Things are not what they seem]
"I drink from the Grail. I am not of what it is inside. Thus I am not Taste
-The **fifth gate** is opened. The sense of taste is thus transformed.-

All senses are now disbanded one-by-one. Your soul is the only thing that gives you some sense of reality.

Facing towards the four corners of the encounter hall by pointing clockwise with the quartz pyramid, the participant will call the Gods of the Past according to his choice.

[Facing towards Northern corner/ **sixth gate**]
"I open now the Gate. I call you now Alien Gods of fire"
Stop and feel the existence of the Alien Gods of Fire.

[Facing towards Eastern corner/ **seventh gate**]
"The Gate now is open. Come forth Alien Gods of air"

Stop and feel the existence of Alien Gods of Air.

[Facing towards Southern corner/ **eighth gate**]
"I unlock the Gate at this time. I summon Thee Alien Gods of earth."

Stop and feel the existence of the Alien Gods of Earth.

[Facing towards Western corner/ **ninth gate**]
"The Ninth Gate is open. May the Alien Gods of water bless me with Their presence!"

Stop and feel the existence of the Alien Gods of Water.

Stop and feel this realization of your inner mystery in front of the Stargate.

3. Declaration of Homodeus

By looking your reflection in the Stargate, you must lift the quartz pyramid towards the mirror and declare your non-human origin in your own words.

For example:

"The ancient Gods are my ancestors. Those Who came from the Skies are of the same blood. I am genetically superior from the mortal human being and thus I am ready for the metamorphosis to begin. I am the child of the Alien Gods that gave me the gift to become a Conqueror. I am here to be reborn and deny my human past. I am an Alien!"

Be sure that if you are one of belong to the Family, the Alien Gods will hear your declaration as Homodeus.

Your words must be sincere and proud. Proceed with courtesy.

4. Dream of the Skull

By dreaming the Skull of Atlantis, the participant must gaze on the mirror and summon the most ancient skull in this planet. The Alien should focus on the stargate for approximately fifteen minutes and the alien skull will be slowly created. This technique must be performed without rush or negative thoughts. The alien skull must be created slowly in the mind of the participant and appear in the stargate.

5. Contacting with the Alien Gods

This is the time that you must spawn the Essence through your channel of your body. You must imagine that your channel is connected with the channel of your reflection. Begin to focus on the mirror and feel the darkness consumes you until you see a black mist. This is the time that you are aware of the astral plane. Begin to inhale deeply from your nose and exhale slowly from your mouth toward the Stargate and imagine that your breath is touching the mirror.

Keep in mind that the air you are breathing out contains your DNA.

Inhale deeply through your nose for a slow count of four, and when your lungs are filled, hold this breath for the same count of four. Next, exhale slowly for a count of four, and when your lungs are completely empty, keep them this way for another count of four. Then repeat the process. After a while of breathing in this tempo, you won't have to count any longer, as your body will grow familiarized to keeping the tempo. With preparation, you should only have to go through the conscious counting for three or four cycles before your body takes over.

You must continue the inhalation and exhalation techniques until you feel the flow of the Essence. By breathing out the energy, the right electromagnetic environment is created for the Alien Gods. As it is said before, you now create a tunnel of energy between you and the Alien God that is in the Stargate. This action can even last for half an hour or so.

If you are of the same blood the Alien God will appear either in astral or physical form. Caution! By experiencing more and more encounters the initiated member will have a clearer view of the position of the Alien God.

Do not fear if you experience loss of time.

6. Abduction

You are what you are. You are having a Contact with the most ancient form of earthly existence and you will stop the spawning of Essence. Continue the gazing towards the Stargate and become lost in the darkness. The Alien Gods are now responsible for your essence of life and it under Their will to let Ichor run into your veins. Continue until you feel energized with the Blood of the Immortals.

7. Ichor

After feeling the highest form of Essence possessing your body, drink from the Grail as it is blessed by the blood of the Alien Gods. You are now drinking the nectar of the Gods, the undying Essence.

8. Declaration of Alien

Declare yourself after this moment of divine Metamorphosis by raising the quartz pyramid towards the sky.

For example:

"I am now changed. I am an Alien, the Conqueror of humans and the rightful king of this world. I honored my ancestors by bringing the essence of life and having an encounter with Those Who came from the skies. I am now one of Those Who came from the Gods. I praise the Eldest God that is the Alpha and the Omega among the ranks of the Immortals!"

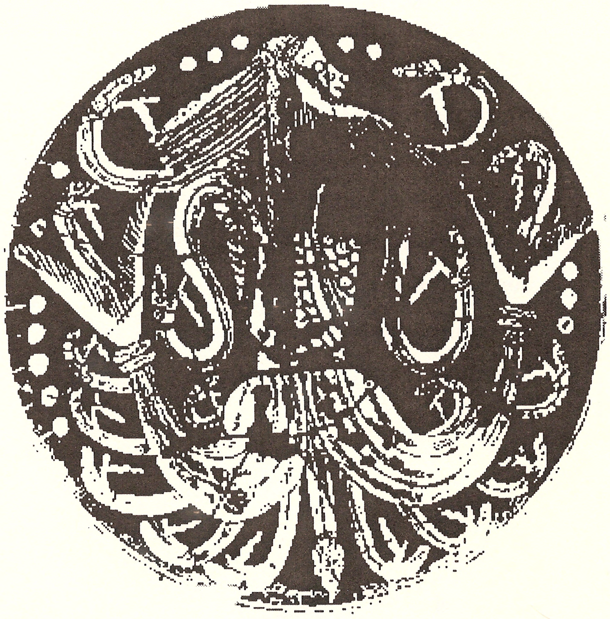
9. Terminating the Encounter

Hit the bell nine times and close up the ritual by saying

"So it is done and shall be done"

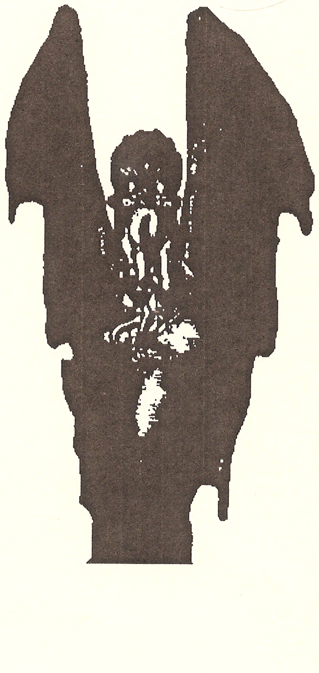
Leave the room and return to your earthly encounters and celebrate.

The purpose of the Encounter is to help the Alien initiate to accomplish his goals and become into a Higher Being. The contact with the Alien Gods is not only a path to succeed in Conquerism, but a path to immortality.



Several signs of attracting the Alien Gods:

-Come into sight in physical from, sometimes with the classical alien image.
- Become visible in the Stargate, by taking many forms or faces.
- Take the form of moving shadows during or after ritual.
-Appear in dreams after the ritual as a real experience.
-UFO appearance around the world.
-Touch the participant in an invisible form.
-Produce strange sounds and unknown languages.
-Dreaming of flying or traveling in space.
-Loss of time without cause, during or after the ritual.
-Sudden drop of temperature.



The Truth of the lie

If you repeat a lie often enough, it becomes the truth.
-Joseph Goebbels-

A miracle often indicates an event accredited to divine interference. These events have the power to surprise human beings and make them to think and behave in a positive way.

Religious texts such as the Bible or Quran constructed a huge belief system by making their believers to accept miracles as history facts. These supernatural facts are the strength of each religion in order to verify Divinity without the possibility of doubts.

Still the Alien doubts and does not believe!

From the early civilization of mankind, several supernatural events occurred. The stories of unexplained phenomena influenced the way of living, the culture and all the religions of human beings. The ghost stories and poltergeist phenomena make people to think and believe that there is another world on planet earth.

This "Shadow World" made humans to become excited and created their own definitions of the truth. Their conception of truth led them to create paranormal groups, cults, sects and conspiracy theories. They created small Belief Systems in order to feel superior to the average human being. Most of these "truth holders" are very popular in today's society and they have a big amount of Followers. Still, the truth is quite different.

A great example concerning the Truth of the lie is the so called "Lucky charm". It is commonly believed that an item with specific significance to its holder may have supernatural abilities that can influence positively one's life. Still, only the holder knows that the item has a special power, while other people deny its significant identity. Furthermore, today's media sources can influence so strongly society's beliefs that governments pay huge amounts of money to media in order to become positively accepted by the audience. The truth is that with certain acts one can transform others' thinking into a stable Belief System. As it was mentioned before, human faith is like a muscle and it needs exercise. With regular projection of specific events either supernatural or super-positive, one can develop and enstrengthen society's beliefs.

Consider for instance a street magician who can persuade the audience that he has supernatural powers. It is a common secret that a show magician spreads rumours about his uncanny powers and thus improving his social prestige. Therefore, certain individuals who can make society to believe that they are "special" are the true Conquerors of humans. Alienology supports any lawful act that can make people to believe and thus Aliens are not against any kind of religion. Aliens want religions to exist and continue the work of the Alien Gods.

Nowadays, there is a new miracle entitled as "Extraterrestrial Existence Belief System". Unidentified Flying Objects (UFOs), Men in Black (MIB), chemical trails and conspiracy theories about the existence of Aliens are a fine example of this modern-based Belief System. It is a fact some of the miracles are real. It is a fact that Aliens exist.

Still, all these modern miracles have only one purpose: To create followers of a certain truth. This truth is used by the Alien Gods for thousands of years in order to gather their Essence. Thus this is the Truth of the lie.

We are the continuity of the Alien Gods.
We are today's Conquerors.
We are true Aliens.

Skull of Atlantis

Naos is the heart of the Temple of Alienology. It is used with purpose in Encounter in later stages of Naos initiation. It is the inner temple of the most ancient religion. It is very significant to mention that the Priesthood of Naos serves the central role in the Alien Temple. Naos means in Greek "Temple". The word "Naos" springs from the Greek verb "naio", which means inhabit. It was used frequently as the first word before the name of an ancient God and normally was the inhabitancy of the God. In ancient Egypt the word Naos was commonly referred as the inner temple. In general, this word represents something that is sacred.

Naos is a temple indeed. It is a temple so big and non-understandable to the Homo sapiens eye like comparing it with an ant that cannot understand the size and the significance of a skytower. Naos is built according to the sacred geometry that was given by the Gods to the Homo sapiens. The co-ordinates of the Temple are known because of the sacred monuments that were built thousands of years before in the ancient civilizations. All the temples were built with great accuracy according to the movement of the planet system and specific spots of ultimate energy.

As above, so bellow.

These temples are the places that the Aliens can encounter the Alien Gods. The purpose of the Alien is to visit the temples that were used as the stairway to heavens and be initiated like the old Hierophant in the ancient Greece.

Make an experiment: Visit any place like Parthenon, the Great Pyramids, Stonehenge and any place that is sacred and breathe the air. You Will feel the Essence consume your body.

Naos is created by the Alien Gods. The first residence of the Alien Gods was in the mythical Atlantis. There They brought a skull of great significance. In this skull the Alien Gods put all the information of the about the existence and the purpose of the Homo sapiens race. Even the Knights Templar used this skull in their well known Baphomet.

First of all, this skull was constructed into a 4-dimension scale. A technology unknown to the Homo sapiens brainpower. The skull exists in both physical and astral form. There are many individuals that are aware of the existence of the alien and some of them claim that they possess it. The answer is that in this world, this skull cannot be obtained as it is not of this dimension.

The skull of Atlantis is secretly kept in Naos for thousands of years and it is not accessible to the profane eye. The Alien Gods were aware that there will be many that will seek the absolute power of the skull and they left it securely in the hands of Their descendents.

The skull was left upon earth by Those who came from the skies as a gift to the Aliens. Only those of the same blood can fully understand the true power that is inside. The Essence of this power is called metamorphosis. By gazing into the eyes of the skull the Homodeus species can reach again to their divine status once more.

The skull represents the Alien. It is constructed with the characteristics of hominid species and of an extraterrestrial form of existence. It symbolizes the Homodeus species. Furthermore, within the skull is the information about the 13th planet that is the birthplace of the Alien Gods.

The skull also represents the genesis of the Homo sapiens race. In Greek mythology mankind was created by the ashes of the Titans, the Alien Gods. It is a metaphor to show the significance of the Alien Gods upon the Homo sapiens race. The skull of Atlantis was left from the Alien Gods as a symbol of death and as a reminder of the mankind's origins.

Naos is built in physical form with the permission of the Alien Gods. Naos religion is the real religion of the Aliens from the earliest existence of civilization. The purpose of the Naos religion is gathering and helping the lost members of the divine kind and the metamorphosis of the Alien. The black prophecies will be fulfilled in short time.

The apocalypse of the alien skull is near. The skull will be placed again in the Temple and the 13th seal of the inner mystery will activate the arrival of Our Gods.

Don't waste *now*!

Pythias Gramata

The Delphic Maxims or Letters of Pythia are inscribed at Temple of Apollo in Delphi and were delivered by Apollo Himself to The Seven Sages of Greece. The Delphic Maxims recommend a specific way of living, behaving and thinking that is highly correlated with the inner mysteries of the Temple. Below there is the only authentic translation from ancient Greek to English. By comprehending in depth the meaning of the Maxims, the Alien can achieve the Final Metamorphosis and rule the planet earth.

It is the secret that remains untold and unseen for thousands of years.

Initiatory stages of Alienology.

Homodeus: This is the first stage of Alienology. The initiate Homodeus must realize that he or she is different from the common Homo sapiens being. This can be done through the procedure of Reidentification. The Homodeus must send evidence of personal evolution in written form to the Temple's address.
Approval: The testimony of a Priest or Priestess.
Limitation time: Up to 1 year.

Conqueror I °, II °, III °: The Alien Conqueror must complete nine of his or her goals divided into three types of Conquerism. Appropriate evidence of the conquering abilities of the Alien must be sent to TOA.
Approval: The testimony of two Priests or Priestesses.
Limitation time: 2 years maximum.

Priesthood of Naos: The Alien in order to enter the Priesthood of Naos should share written his or her experience Encountering the Alien Gods.
Approval: Positive vote from the Deities of Naos.
Limitation time: 2 years minimum.

Deity: The requirements for entering the Godhood of Naos are not discussed in public.
Approval: xxxxx
Limited time: xxxxx

Any individual who fails to achieve any stage will lose active membership permanently.

The answer is within the question.

Information about Active Membership.

The Alien is a being that struggles for his rightful due to conquer. Through centuries many occult organizations and religions were built and many Aliens joined to fulfill their ego and purpose. This is the reason that NAOS is re-created again (with a new name) to find and help the lost members of the Divine Family. The Temple of Alienology is not an organization or an occult group. Alienology is a religion in the service of the Gods of the past. Thus Temple of Alienology is not a profitable organization or a business store. Between members of the Family, there is an unwritten law of ethics. Each member should help the other, as they are of the same blood. This is the reason that the Temple of Alienology is not requesting everyone and is not asking for an economical support.

In order to become a follower of Alienology, it is required a minimum donation of 60$ annually. The reason of the membership donation is mainly one. The fees can separate serious individuals who seek true knowledge from "fun seekers". By entering the Priesthood of Naos the fee is reduced. The reason is that only members of the Priesthood are recognized as blood members of the Alien Bloodline.

The advantages of becoming an active member of Alienology:

1) **A 2-month journal entitled as "Conqueror".** This is the official newsletter of Alienology. Anything that concerns the philosophy of Alienology and its members would be included in the "Conqueror" journal.
2) **Active membership in the forum of Alienology via the internet**. Each forum concerning the stages of Alienology is not visible to the public.
3) **The right to buy other books.** There are more books concerning the philosophy and practice of Alienology.
